The T Level Technical Qualification is a qualification approved and managed by the Institute for Apprenticeships and Technical Education.

## Education and Childcare T Level support from NCFE

### Support Materials

Our support materials are located within our [QualHub](#) site and contain an array of valuable resources such as specimen papers and mark schemes and qualification specifications to help you and your students throughout your T level Journey.

### Teaching Materials

[QualHub](#) is the gateway to our high quality teaching resources. The Essential free resources such as our comprehensive Schemes of Work and a number of interactive e learning sessions to help plan and deliver T Levels alongside a wide range of additional resources to enhance your delivery.

### Parent and Learner and Wider Engagement

We know that engaging learners and parents is vital, to help you NCFE have produced a range of materials to support you in explaining the value of T Levels to parents and students. These can be found on our [T Level Provider Support page](#). Additionally NCFE have produced information packs specifically for [engaging with HE Institutions](#).

### Webinar Series

NCFE host a series of webinars that have a specific focus, ranging from On-boarding and getting started with the T level to staff CPD. To see our upcoming webinars or view the recordings of past webinars [click here](#).

### Partner Resources

To provide further assistance with your delivery of the T Level NCFE has partnered with Hodder and Siren Films to create a vast array of resources to assist you and your students throughout the T Level and can be found within [QualHub](#).

### 1 to 1 Support

Throughout your T Level journey you will be supported by one of our dedicated Account Executives who will be your primary point of contact for any questions or queries. Additionally, you will receive support from a member of our Provider Development Team throughout your planning, preparation and delivery.

### Additional Resources

In addition to resources developed by NCFE you can find useful information and development resources at the [Education and Training Foundation](#) and [Gov.uk](#)
