CACHE Withdrawn Qualifications

Qualification	NCFE CACHE Level 2 Technical Certificate in Working with Children in Early Years and Primary Settings (603/3292/X)
Date qualification is being withdrawn	<p>31 July 2020</p> <p>This is the last date we can accept learner registrations.</p> <p>Please ensure your learners are aware that this qualification is no longer available after the withdrawal date.</p>
Certification end date	<p>31 July 2021</p> <p>This is the last date we can process learner certificates.</p> <p>Centres must also ensure that learners have been entered and have sat their external assessment before this date, to ensure they have enough time to receive results and claim certificates</p>
Reasons for withdrawal	Due to the changes in the Department for Education's Early Years Practitioner criteria, this qualification no longer holds performance points after the 2019-2020 session, so it is no longer a 'Technical' Certificate.
Suitable alternative	<p>We are delighted to announce we will be launching a direct replacement for this qualification on 31 July 2020.</p> <p>The NCFE CACHE Level 2 Certificate in Working with Children in Early Years and Primary Settings (603/5937/7) will contain the same units as the Technical Certificate but is now internally assessed and slightly reduced in size, due to the removal of the external assessment. Please note that this replacement qualification does not carry performance points. More information will be available on our website shortly.</p>
