

Features and benefits

NCFE Level 3 Certificate in Principles of Management (601/7075/X)

Minimum entry age: 16

Resources: Learner's Evidence Tracking Log

| Features | Benefits to the centre | Benefits to the learner | Benefits to the employer |
|--|--|---|--------------------------|
| Knowledge-based qualification | No special resources required | | |
| Assessed via portfolio of evidence | Using a portfolio approach allows centres to be flexible in devising their own assessment methods based on the preferences of their learners such as audio, visual and written evidence. There is less demand on centres to organise a test and it requires no additional resources over and above the norm of blended learning and delivery | Caters for different learning styles Assessment method favoured by learners who find exam conditions stressful | |
| Learners who achieve this qualification will be able to RPL their learning across to the Level 3 Diploma in Management | Will not have to repeat the knowledge-based learning | Will not have to repeat the knowledge-based learning | Increases accessibility |
