

creative, design and digital.

NCFE's Study Programme in the Creative, Design and Digital sector provides 16-19 learners with a structured and challenging learning experience to support their development and progression, whether that's on to further study or their dream career.

core qualifications.

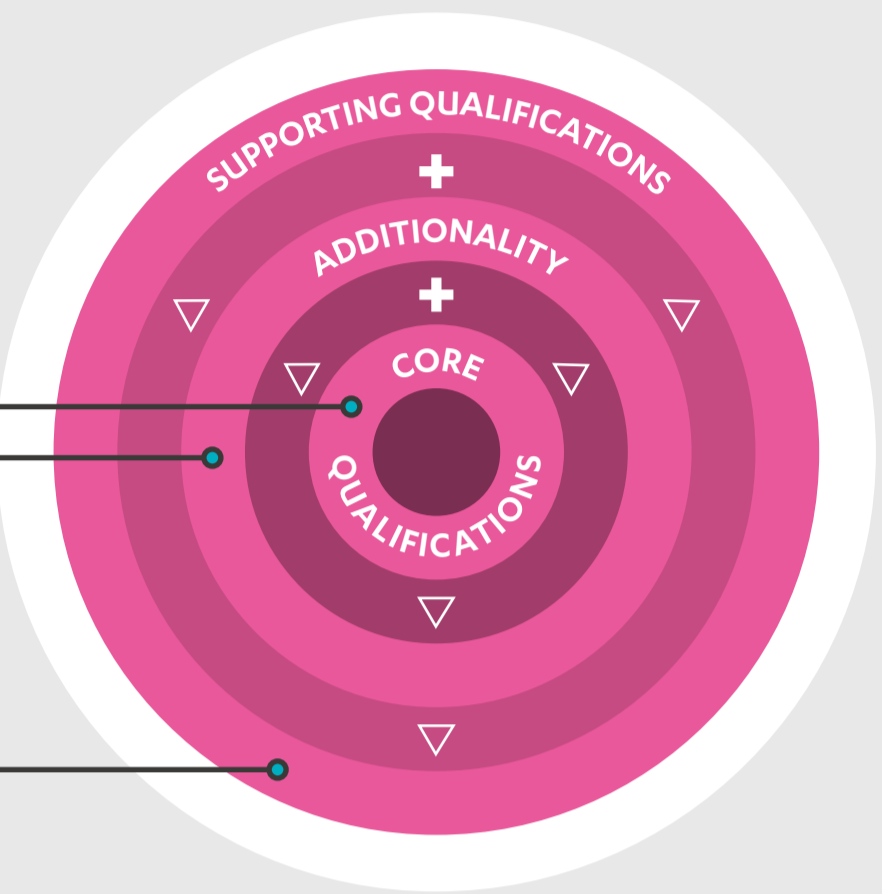

Level 3 substantial qualifications with high guided learning hours which attract UCAS points, to support higher education. We also have a range of level 2 qualifications, which can support progression to level 3.

additionality.

Smaller qualifications designed to complement a learner's 16-19 full time programme and develop their transferable skills and confidence.

supporting qualifications.

From employability to English and maths, these qualifications underpin your Study Programme to give learners the best chance of success.
