

# prepare for the reform in 5 easy steps.

1.

## Get reform informed

For a quick overview of the Functional Skills reform and what it means take a look at our Functional Skills reform guide.

[click here.](#)

2.

## Check our checklist

Our preparation checklist will help you determine what practices and procedures need to be put in place to prepare your organisation for the changes.

[click here.](#)

3.

## Master our mapping documents

Our mapping documents can help familiarise you with the new qualification content. They're available for English and maths from entry level 1 – level 2.

[click here.](#)

4.

## Dates for your diary

Don't forget that the current Functional Skills qualifications close for registrations on 31 August 2019 and learners have 12 months from this date to complete the qualification. Registrations on the new qualifications start on 1 September 2019.

5.
