Dear James and Emma

I am writing in support of the NCFE CACHE Level 3 Applied General Certificate for Early Years, Childcare and Education (603/2988/9).

The University of Chichester offers undergraduate degree programmes in Early Years, Social Work and Primary Teaching (inter alia).

This qualification will provide individuals who have an interest in Childcare with an opportunity to develop their skills, knowledge and understanding to an advanced level. This will prepare learners to progress onto a range of higher education courses within the Early Years and Childcare sector and other relevant sectors. This qualification also requires the use of techniques for evaluation, analysis and reflection and these study skills will benefit learners progressing to higher education.

Being a University, we do not offer the NCFE CACHE Level 3 Applied General Certificate for Early Years, Childcare and Education but we find it to be valuable and consider it to be fit for purpose and suitable for meeting entry requirements to a range of our courses when combined with other qualifications such as A levels and Applied Generals.

The NCFE CACHE Level 3 Applied General Certificate for Early Years, Childcare and Education contributes towards our entry requirements for a range of our courses, including undergraduate degrees in:

Early Years, Social Work and Primary Teaching.

This qualification is suitable for anyone aged 16 and above.

I agree to this letter being published electronically on CACHE's website/public domain, in accordance with the DPA.

Yours faithfully,

A handwritten signature in black ink that reads 'B. Savill'.
