

Qualification factsheet

Qualification overview

Qualification title	NCFE Entry Level 1 Certificate in Essential Maths in Everyday Life		
Qualification number (QN)	610/0647/6		
Total qualification time (TQT)	160	Guided learning hours (GLH)	160
Entry requirements	There are no specific prior skills/knowledge a learner must have for this qualification.		

About this qualification

This qualification is part of a suite designed to provide learners with essential skills and knowledge in maths. Learners will develop their skills in:

- using numbers
- measurement, shape and space
- handling data
- solving mathematical problems

The qualification has been designed to map to the subject content for Functional Skills but splits the learning into smaller units and is assessed by a portfolio of evidence, so that it provides learners with skills that can be used in their everyday life or support them to progress on to an entry level 1 qualification in Functional Skills.

Qualification structure

To be awarded this qualification, learners are required to successfully achieve 10 mandatory units.

Mandatory units

Unit 01 Working with numbers up to 20 (T/650/1814)
Unit 02 Calculating with numbers up to 20 (Y/650/1815)
Unit 03 Understanding monetary values and reading measures of time (H/650/1819)
Unit 04 Describing and comparing size and dimension (R/650/1822)
Unit 05 Describing and comparing weight and capacity (Y/650/1824)
Unit 06 Identifying and recognising common 2D and 3D shapes (A/650/1825)
Unit 07 Using simple positional vocabulary (J/650/1829)
Unit 08 Extracting information from simple lists (Y/650/1833)
Unit 09 Sorting information (F/650/1836)
Unit 10 Representing information in simple charts and diagrams (R/650/1840)

Assessment

The qualification is achieved through a learner-produced portfolio of evidence which is assessed, and quality assured internally by centre staff and externally quality assured by NCFE.

We are in the process of creating a workbook that contains some sample tasks for this qualification, which can be found on the qualification page on the NCFE website. These tasks are not mandatory. You can contextualise these tasks to suit the needs of your learners to help them build up their portfolio of evidence. The tasks have been designed to cover learning outcomes for all units and provide opportunities for stretch and challenge.

Progression opportunities

Learners who achieve this qualification could progress to the following:

- NCFE Entry Level 1 Functional Skills Qualification in Mathematics (603/5057/X)
- NCFE Entry Level 2 Certificate in Essential Maths in Everyday Life (610/0654/3)
- apprenticeships
- vocational qualifications
