Level 2 Technical Award in Child Development and Care

(603/3293/1)

## Just the facts

V Cert Technical Awards are quality technical qualifications which are appropriate for Key Stage 4 learners. They're a technical alternative to GCSEs with equal levels of rigour and challenge.

The Level 2 Technical Award in Child Development and Care provides learners with the skills, knowledge and understanding of good child development and wellbeing practices and an understanding of working in the sector.

### Qualification content

Your learners will gain valuable knowledge of:

- Working with children aged 0-5 years
- Development and well-being of children
- Aspects of childcare and development.
