Dear Vicky

I am writing in support of the NCFE CACHE Level 3 Applied General Certificate for Early Years, Childcare and Education QRN: 603/2988/9

The University of Huddersfield is a post 1992 institution with an excellent reputation for the quality of its teaching and its graduate employability with 94.5% of our undergraduate students going onto work and/or further study within six months of graduating. The University offers courses across a wide subject range

The NCFE CACHE Level 3 Applied General Certificate for Early Years, Childcare and Education will provide individuals, who have an interest in Childcare, with an opportunity to develop their skills, knowledge and understanding to an advanced level. It supports learners to enhance their techniques of evaluation, analysis and reflection, and those progressing onto higher education will benefit from these study skills.

As a Higher Education Institution, we consider that this qualification is fit for purpose and fulfils entry requirements to courses in a range of subjects, when combined with other qualifications such as 'A' levels and Applied Generals.

Entry onto our courses varies according to the subject for which an applicant has applied and the number of UCAS points required. Please see our website for the most up to date entry criteria.

An example of some of the courses The NCFE CACHE Level 3 Applied General Certificate for Early Years, Childcare and Education contributes towards are:

- Bachelor of Arts (Honours) degree in Early Childhood and Education
- Bachelor of Arts (Honours) degree in Childhood Studies
- Bachelor of Arts (Honours) degree in Early Years
- Bachelor of Arts (Honours) degree in Primary Education (Early years and Key Stage 1)

Typically, our intake onto these courses are 150 candidates a year.

The Level 3 Applied General Certificate for Early Years, Childcare and Education is suitable for anyone aged 16 and above.

I agree to this letter being published electronically on CACHE's website/public domain, in accordance with the DPA.
