## About this qualification

This qualification is designed to provide learners with the expertise, skills and professional approach needed to become a Montessori educator, acting as a key person in a Montessori classroom.

This qualification confirms competence in an occupational role as learners are required to demonstrate the full application of knowledge and understanding over a period of time in the workplace.

This qualification will support learners who are seeking a career within the early years sector and who may also want to progress further to level 4.

This qualification includes both knowledge and skills that meet the Department for Education (DfE) early years educator (EYE) criteria in full and map to the knowledge, skills and behaviours (KSBs) within the Early Years Educator occupational standard in England.

## Qualification structure

To be awarded this qualification, learners are required to successfully complete all 13 mandatory units.

## Assessment

This qualification is internally assessed and externally quality assured.

The assessment consists of one component:

- an internally assessed portfolio of evidence, which is assessed by centre staff and externally quality assured by NCFE (internal quality assurance must still be completed by the centre as usual)

This qualification includes both knowledge and skills that meet the DfE EYE criteria in full and map to the KSBs within the EYE occupational standard in England.

The assessment methods for the skills-based criteria should include:

- direct observation of learner in work placement/employment (it is essential to include observations)
- professional discussions
- reflective accounts
- expert witness testimony (EWT) (must be accompanied by professional discussion to triangulate the evidence)
- work products, for example, policies, reports and records that can be used to underpin or move a professional discussion forward

Skills-based outcomes must be achieved in a real work environment (RWE) and in accordance with assessment principles, they are typically achieved throughout the duration of the programme of study to allow for increasing confidence and competence in practice.

## Placement requirements

This qualification requires learners to complete a mandatory work-placement experience throughout the duration of the qualification before certification. The placement must be in an approved Montessori early years setting and be a minimum of 400 hours.

Some of the assessment criteria (AC) in this qualification must be assessed on the professional placement in an RWE. Evidence from the professional placement will contribute to the learner's portfolio of evidence.

The skills-based LOs associated with work placement experience have been included as part of guided learning hours (GLH) within each unit (where relevant). The GLH has been allocated as knowledge and work placement experience to support with delivery.

## Progression opportunities

Learners who achieve this qualification could progress to the following:

- employment:
  - educator in day nurseries
  - educator in nursery schools
  - educator in reception classes in primary schools
  - pre-school worker
- further education:
  - NCFE CACHE Level 4 Diploma in Early Years Montessori Pedagogy from Birth to Seven (Early Years Educator) (610/4160/9)
- higher education – personal statements may be accepted by universities
