**FAST from NCFE**

Functional Assessment and Skills Together

## **Bringing you fast initial assessments, fast results, and fast savings**

We've designed an integrated solution for delivering English and maths – one that supports your delivery from start to finish, with careful consideration about the tools and resources that you'll need to succeed along the way.

**One product**

**One solution**

**At one price**

# FAST from NCFE

## Signing up to fast will provide you with:

**One Assessment** – a single 30-minute initial assessment covering both English and maths that can be set for either Functional Skills or GCSE.

**Skills Builder** – access to diagnostics, individual skills plans, distance traveled assessments and independent learning resources for both Functional Skills and GCSE.

**Quality dashboard** – track your learner and tutor progression with a bespoke reporting dashboard that will support all your Ofsted requirements.

**Teaching resources** – get all your lessons prepared for you with our teaching resources complete with session plans, PowerPoint sessions, activities and knowledge checkers.

**Learner workbooks** – prepare your learners for their final assessment at Level 1 and 2 with this resource that checks understanding and offers a chance to complete a practice assessment question for each subject content statement.

**Functional Skills registration** – with 6-day results, on demand paper and online assessments, past papers for paper and online assessment along with learner toolkits and topic based assessments.

**Subject specialist support** – full access to our subject specialists for English and maths to support your tutors and assessors, proven to improve attainment up to 5%.

**Product Coordinator** – specialised coordinator to support your approval and onboarding process, ensuring your needs are met.

**Take the FAST challenge to find out how much you could save.**
