Dear Melanie

### **NCFE CACHE Level 4 Award in Early Years Emotional Wellbeing**

I confirm that we recognise and support the above qualification.

I run 2 busy private nurseries and information can be seen on our website.  
[www.mossleyhillchildcare.co.uk](http://www.mossleyhillchildcare.co.uk). We are situated in Sefton Park and cater for children aged 6 months to 4 years.

The qualification is valuable to me as it has strengthened my awareness of wellbeing among staff and parents/carers and how important it is to manage it successfully. Staff feel valued and happy, so enjoy their job more. Also, it improves staff retention rates and is good for business morale in general.

This qualification will provide me with knowledge and understanding that enables me to carry out my job role more efficiently. Parents and carers also respect the fact that I will complete this qualification.

The outcome of the qualification will enable me to have more empathy with other people's stresses and problems and I can understand and help them more to find possible solutions quickly and effectively. As an early years manager, this knowledge is a valuable support tool for me.

This qualification is suitable for anyone aged over the age of 18.
